"Let's shop local together!
I like to support Made in Italy, sustainable fashion, and vintage!"

- Myriam Belviso

Ciao!
I'm Myriam
Belviso.

HOST SERVICE FOR THE NEW ONLINE SHOPPING FORMULA!

I worked as a shoppertainment representative for a company in New York, choosing to specialize in **local Italian shopping** for **foreign customers**.

Now I put my experience and professionalism directly at the service of boutiques and brands.

I want to continue supporting **small fashion companies, Made in Italy, sustainable fashion** and **vintage**.

PASSIVE SHOPPING ON WEBSITES IS BORING!

This new shopping frontier, which comes from Asia, and became popular during the pandemic, is more dynamic, interactive, and fun.

I entertain, inform, and sell to the final customer.

I use a perfect mix of my communication and personal skills, foreign languages, experience in the sector, knowledge of fashion, and my creativity in styling.
