The love for ***Made in Italy, sustainable brands and pre-loved*** garments, support my vision of **style**.

Style as a form of **expression of one's authenticity**, built with **quality garments** that last beyond trends and have a **low impact** on the environment.

My philosophy is simple: ***shop less, but better, and experience more!***

- WHAT:

I specialize in **slow shopping**, more conscious purchases in **local boutiques**, true **Made in Italy, sustainable brands, brands** that support **minorities, second-hand markets, craftsmanship** and **tailored selections**.

- HOW DO I DO IT:

I use **creativity, irony, upcycling**, and **restyling** to create your looks and have fun!
